Gentlemen,

To the best of my understanding, I have fulfilled all my responsibilities for the freedom from war and mount pleasant north areas.

I went out today and cleaned up the gulch mine. I am attaching pictures of before and after.

This takes care of item #2 on the letter dated January 15.

I'm sending a check for \$450 and the new reclamation contract today. This should take care of item #1,3. There has been no mining activities for several years.

Mail - Freedom From War mine (S/039/0024) - transfer update Div. of Oil, Gas & Mining

I will not commence any mining activities at the gulch mine until I first send either written or electronic correspondence. This should take care of item #4.

Thanks Todd Wilhite
